

IMPACT STATEMENT

Sports Premium Action Plan 2022 - 2023

School Sports Premium 2022 - 2023 - Approx. £18,000 Total spend £23,000

Objective / Strategy	Cost £	Intended Impact	Actual Impact
Providing quality assured sports coaches and instructors to coach after-school sports	£7,000	Ensure after school clubs are well supported by pupils 100% capacity. Pupils are enthusiastic and motivated. Healthy lifestyles are promoted. Providing quality assured sports coaches and instructors to coach lunchtime sporting activities, developing physical, mental, social, moral and cultural skills.	After school clubs have taken place this year and have all been full to capacity. Key Stage One after school clubs have also taken place.
Providing quality assured sports coaches and instructors to coach lunchtime sporting activities and work with staff to enhance and extend current opportunities, developing physical, mental, social, moral and cultural skills. Developing opportunities for pupils to become sport leaders.	£7,000	Ensure a clear progression in the children's skills and achievements in PE. Increase in the proportion of children working at age-related expectations. Gifted and Talented pupils are identified early.	Sport coaches have provided children with sporting activities at lunchtime. They have also trained sports ambassadors to support other children at lunchtime and help their leadership skills.
Paying for transport to competitive sporting events, i.e. Boys/girls football tournaments, Multi-sporting events. Working in partnership with a wide range of local organisations to extend provision.	£2,000	Ensure pupils are enthusiastic and motivated. Increase in the proportion of children who take part in inter-school competition/exhibitions by having A, B & C teams.	Children have taken part in inter competitions throughout the year. Both boys and girls have taken part in football and netball leagues.

<p>Attending SMILE and C4L events to encourage the less able children. Lunchtime club to support less active children</p>		<p>Working in partnership with local sports clubs to increase regular participation in sport within and outside school, ensuring long term and sustainable benefits concerning pupil's health and well-being. Enable less active children to become more involved in school sport. Raise the profile of PE.</p>	<p>Children have taken part in unified, smile and change for life activities at various settings throughout the year.</p> <p>This has had a huge impact on raising the profile of sport at St Andrews CE Primary.</p>
<p>Purchase of new PE equipment, allowing pupils access to a broader experience of a range of sports.</p>	£1,000	<p>Increase in the proportion of children working at age-related expectations. Ensure all children have access to the sporting curriculum.</p>	<p>New gym equipment has been purchased to support the teaching of gymnastics. New sports equipment has also been purchased to offer a wider variety of sports e.g. boccia.</p>
<p>CPD for staff in teaching gymnastics Key Stage 1</p>	£3,000	<p>Providing staff with professional development, mentoring and training to increase confidence, knowledge and skills of all staff in teaching gymnastics.</p>	<p>CPD in gymnastics has started for staff and will continue throughout the academic year 2023-2024 for lower key stage 2. Trained gymnastic coaches are team teaching with staff and offering bespoke gym CPD. They have also delivered after school gymnastic club to Key Stage 1 children.</p>
<p>Additional swimming provision</p>	£3,000	<p>To ensure all pupils are able to meet the swimming requirement of the national curriculum.</p>	<p>Additional swimming has been put in place so children will swim for three terms over two years and additional swimming for children who missed out on achieving 25 metres. It is our aim to get all children swimming by the time they leave school in year 6.</p>

St Andrew's CE Primary School achieved the Gold level award for outstanding commitment to competition, school sport and physical education during 2022 - 2023. It is our aim to achieve

Platinum level by successfully holding Gold award for 5 consecutive years. This coming year St Andrews will be striving to achieve Platinum award.
