

# Our Visit to Litchfield Cathedral

We visited Lichfield Cathedral to see the  
amazing exhibition called

' In the image and likeness, A  
constellation of images. '

It was amazing to see such amazing art work  
in such a beautiful place.

" I really enjoyed looking  
around the cathedral at all  
the art, not just the  
exhibition. The cathedral is  
so beautiful art is hidden  
everywhere."

Tia Year 6

" I liked that when we  
got back to school, we  
were able to make our  
own art using the ideas  
we got from the  
cathedral."
